

AUDIOVISUAL

THE MAGIC CITY

Córdoba, **Spain**

Córdoba is a privileged and distinctive enclave. Its monumental patrimony captivates the most demanding visitors. CYAN created an audiovisual show, based on the latest mapping techniques, focusing on the legacy of its cultures that left an imprint on the city.

CYAN created an audiovisual show, using mapping techniques, to recount the legacy of Córdoba's pivotal cultures. The imagery relied on the representative monuments of Roman, Muslim, Christian and Jewish cultures, together with artistic, architectural and cultural elements of contemporary history that have been declared Heritage of Humanity by UNESCO.
